

2020 RECREATIONAL LEAGUE SPONSORSHIP

The Swansea Girls' Softball League is made up of an energetic and vibrant group of young girls ranging in ages from 5 to 18 whose love for the game is only surpassed by their dedication to their team and teammates.

To give them the opportunity to play the sport they love, we look for local business support through sponsorships! As a sponsor, your company name will be on the back of the team shirts, along with recognition on our website! At the end of the season, your company will receive a team plaque for your donation!

SGSL is a non-profit organization, and your donation is tax deductible.
